The screenshot shows the CBN website interface for audio playback. At the top, it says "GLOBORADIO" and "CBN A RÁDIO QUE TOCA NOTÍCIA". Below this, there are three dropdown menus: "SELECIONE A PRAÇA" with options SP, RJ, BSB, and BH (selected); "SELECIONE A DATA" with the date 26/05/2015; and "SELECIONE A HORA" with the time 10:00. A red button labeled "escutar áudio" is visible. Below the dropdowns is a progress bar showing 00:00/59:53. There are also social media icons for Twitter, Facebook, e-mail, and Orkut. A section titled "ACESSE NO SITE CBN" is present, and at the bottom right, it says "1 de 1" with navigation arrows.
